# WELCOME TO THE SUNBEAM CAR CLUB OF NEW ZEALAND

The Sunbeam Car Club of New Zealand Inc was established in 1972. We have approximately 150 members nationwide with branches in Auckland, Wellington, Waikato, Manawatu and Mainland (South Island).

The club caters to all makes and models of the Sunbeam marque and to the motoring interests of our members. This includes:

- Motor sports
- Car shows
- Family outings.
- Club nights/social events
- Car refurbishment.

There is also a strong connection with other Rootes Group car clubs.

We have an excellent **spare parts department**, especially considering that we are a club where the vehicles are no longer supported by a corporate identity. It is generally recognised as one of the best private spare parts organisations in New Zealand.

The Sunbeam Car Club is a very active club endorsing friendly interaction between members and their families, and the various branches. We generally have a club event at least once a month and encourage all members to participate regardless of whether or not they have a Sunbeam on the road. You do not need to have a Sunbeam to join the club, just a passion for Sunbeams or Rootes group cars.

Our **technical knowledge** and assistance is second to none. There are members in the club who will gladly assist you with your Sunbeam queries. We also have available the services of panelbeaters and mechanics who specialise and have a passion for our much loved Sunbeams.

Subscription to the Sunbeam Car Club provides:

- A whole heap of motoring fun.
- Regular branch newsletters.
- The quarterly 'Sunbeamania national publication.
- Access to our spare parts department.
- International connections to clubs around the world sharing our passion for Sunbeams.
- Participation in the organised events both locally and nationally.
- Access to club regalia – caps/hats, key fobs, hubcap badges, tea towels, windscreen stickers etc

We welcome you, your family and your car into our club.

**See below for contact details for your local branch:**
