### PAST EVENTS

**Sunday 8th July** – Rotorua Swapmeet at Paradise Valley Stockcar track.

Andrew Blaymires attended this event, which looked like it was going to be wet but ended up being a sunny day with a slightly damp end to it. Andrew reported that there was the normal range of junk for sale and treasures to buy (depending on your perspective).

Andrew Thomson was also spotted taking a break from his normal VCC duties on the day.

As to the treasures that ended up in Andrew's van...you'll need to arrange another visit to his sheds.

## STAR weekends from the past

For those of you who are new to the Sunbeam club, you may be wondering what STAR stands for - Sunbeam Talbot Alpine Register. This register still exists in the UK but the STAR club in NZ merged with the Sunbeam Car Club in 1984.

In October 2008, Sunbeamers from around the upper North Island gathered at Awakino to mark the 70th Sunbeam Talbot anniversary.

This 2-day touring weekend around the Bay of Plenty was the first of the STAR weekends. In recognition that the NZ section of the STAR (Sunbeam Talbot Alpine Register) joined with the Sunbeam Owners club, this weekend was open to all Sunbeam makes and models.

In 2009 the weekend was extended over 3 days and took travellers through to East Cape to the campground at Te Araroa.

In 2010 STAR swapped to the west coast to explore south of Waitomo along the coast.

In 2011 STAR moved north to travel the coast roads from Kawhia to Raglan and on to Nikau Caves.

In 2012, STAR moved in land to the Forgotten Highway south of Taumarunui. The group based at the Ohura prison included three of the original STAR NZ members. The Blomfield's, Rosser's, Leydon's and Norman's were instrumental in the running of STAR before it merged with the Sunbeam Car Club.

In 2013, we had a STAR outing around Huntly led by Ross Carroll. Ross gave us a chance, not only to look at the coal mining history of Huntly and surrounding areas but also to gain a glimpse of an industry that was at the height in the late 70s and 80s in NZ.

2014 saw the alignment of the STAR weekend with the Brits at the Beach, as Ross led us on this amazing adventure

through back country roads from Ngahuwahia to Port Waikato and then on to Thames and Whangamata.

In 2015, we celebrated the Rapier 60<sup>th</sup> Anniversary and Ross's 60<sup>th</sup> birthday in the King country. Alan Curry joined us for the weekend as he had spent 25 years as a stock agent and knew more of the back roads than the rest of us.

In 2016, we headed for Coromandel and tested the cars on gravel roads and last year we were over in Wairoa. Join us this year for another adventure.
